Slip Inside This House

Primal Scream

Finer worlds that you uncover
Plant the path you want to roam
Live where you're heart can be given
And your life starts to unfoldYou think you can't you wish you could
I know you can, I wish you would
Trip inside this house as you pass by
Trip inside this house as you pass byIf your limbs begin dissolving
In the water that you tread
All surroundings are evolving
In the stream that clears your headCome disciples to thee unending
Subtleties of rhythm power
Trip inside this house as you pass bySweep the shadows from your eyes
Sweep the realm of dark asideTrip inside this house as you pass by
Trip inside this house as you pass by
