

# I Will Remember You

Kathy Taylor

I will remember you, will you remember me?  
Don't let your life pass you by,  
Weep not for the memories,

Remember the good times that we had?  
I let them slip away from us when things got bad.  
How clearly I first saw you smiling in the sun,  
Wanna feel your warmth upon me  
I wanna be the one

I will remember you  
Will you remember me?  
Don't let you life pass you by  
Weep not for the memories

I'm so tired but I can't sleep  
Standing on the edge of something much too deep  
It's funny how we feel so much but cannot say a word  
We are screaming inside but we can't be heard

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so afraid to love you but more afraid to lose  
Clinging to a past that doesn't let me choose  
Once there was a darkness deep and endless night  
You gave me everything you had, oh you gave me light

And I will remember you  
Will you remember me?  
Don't let you life pass you by  
Weep not for the memories

And I will remember you  
Will you remember me?  
Don't let life pass you by

Weep not for the memories

Weep not for the memories
