

Centuries

KIDZ BOP Kids

Some legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
Remember me for centuries Mummified my teenage dreams
No, it's nothing wrong with me
The kids are all wrong
The stories are off
Heavy metal broke my heart Come on, come on and let me in
The bruises on your thighs like my fingerprints
And this is for tonight
I thought that you would feel
I never meant for you to fix yourself Some legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
Remember me for centuries And I can't stop 'til the whole world knows my name
'Cause I was only born inside my dreams
Until you die for me, as long as there is a light, my shadow's over you
'Cause I am the opposite of amnesia
And you're a cherry blossom
You're about to bloom
You look so pretty, but you're gone so soon Some legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
Remember me for centuries We've been here forever

And here's the frozen fruit
I could scream forever
We are the poisoned youthSome legends are told
Some turn to dust or to gold
But you will remember me
Remember me for centuries
And just one mistake
Is all it will take
We'll go down in history
Remember me for centuries
We'll go down in history
Remember me for centuries
