

Wicked Game (666-remix)

Him

The world was on fire, no-one could save me but you
It's strange what desire will make foolish people do
I'd never dreamed that I'd need somebody like you
And I'd never dreamed that I'd need somebody like you No I don't want to fall in love
This world is always gonna brake your heart
No I don't want to fall in love
This world is always gonna brake your heart,
with you What a wicked game to play
To make me feel this way
What a wicked thing to do
To let me dream of you
What a wicked thing to say
You never felt this way
What a wicked thing you do
To make me dream of you No I don't want to fall in love
This world is always gonna brake your heart
No I don't want to fall in love
This world is always gonna brake your heart,
with you The world was on fire, no-one could save me but you
It's strange what desire will make foolish people do
No and I never dreamed that I'd love somebody like you
I'll never dream that I lose somebody like you, no Now I want to fall in love
This world is always gonna brake your heart
Now I want to fall in lust
This world is always gonna brake your heart,
with you Nobody loves no-one
