

# Embrace The Ending

## Mushroomhead

The ending  
That peace could grow inside of you  
In spite of me (echos)  
Humanity  
I hope you're out there somewhere  
Right now I'm all alone  
I feel my time has come  
Embrace the ending  
I cannot take this pain  
I cannot take this shame  
Save us from ourselves  
Welcome the way that we  
Embrace the ending  
We all fool ourselves  
When we share the wealth  
Welcome the way that we embrace  
The ending  
To disagree with me  
Used to be  
All that I wanted you to see  
All that I needed you to be  
Does anyone care  
To disagree with me  
Admit defeat we bleed  
In disbelief  
I hear the whole world  
We All fool ourselves  
Welcome the way that we embrace the ending echo x2  
we all fool ourselves  
And it's all in spite of me  
Humanity  
I hope you're out there somewhere echo  
all alone I hear the whole world  
And it's all I ever wanted to believe  
Humanity  
Humanity I hope you're out there somewhere echo  
Out there somewhere I hope you're out there somewhere  
Does anyone care humanity I hope you're out there somewhere

out there somewhere x3
