

Canned Tomatoes (Live at Electric Lady Studios)

[Courtney Barnett](#)

I walk slowly to the store
You don't live here anymore
You used to live round the corner
(cigarettes and alcohol)
Last week I turned twenty four
You don't call me anymore
We used to speak every morning
I was sleeping on the floor.
I still get the mail for
You I leave it at the door
Every letter seems a warning
Pay your rego by the fourth.
Monday morning laundry or
Coffee on the garden wall
You're good cos you're never boring
You should probably call me more.
