

Fallin' In Love

Sherry Lynn

If I could tell you now what Iâ€™m thinking bout
Youâ€™d probably look at me like Iâ€™ve gone crazy
You get that silly grin Laugh it off and then
I get this feelin that baby maybe

Youâ€™ve been thinking bout it you just donâ€™t know how to
Take a chance and open up Itâ€™s not that hard to do
Go on and make your move Your hearts already done it
You keep on running from it
Why canâ€™t you just admit your fallinâ€™ in love

Boy you canâ€™t disguise I see it in your eyes
I donâ€™t know who it is you think your foolin
Youâ€™ve got yourself convinced but I see the evidence
Itâ€™s clear in every little thing your doin

Youâ€™ve been thinking bout it you just donâ€™t know how to
Take a chance and open up Itâ€™s not that hard to do
Go on and make your move Your hearts already done it
You keep on running from it
Why canâ€™t you just admit your fallinâ€™ in love

Admit your Fallin in love

Ooh I know you want to do it go on and get down to it
Why canâ€™t ya just admit youâ€™re fallin
Your hearts already done it you keep on runnin from it
Why canâ€™t you just admit your fallin in love
Admit your fallin in love
