Tubthumping

Pastel Vespa

(The truth is, I thought it mattered)
(I thought that music mattered.)
(But does it? Pollocks! Not compared to how people matter)
(We'll be singing, when we're winning, we'll be singing)

I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down

(Pissing the night away, pissing the night away)
He drinks a Whiskey drink, he drinks a Vodka drink
He drinks a Lager drink, he drinks a Cider drink
He sings the songs that remind him of the good times
He sings the songs that remind him of the best times
(Oh Danny Boy, Danny Boy, Danny Boy)

I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down

(Pissing the night away, pissing the night away)
He drinks a Whiskey drink, he drinks a Vodka drink
He drinks a Lager drink, he drinks a Cider drink
He sings the songs that remind him of the good times
He sings the songs that remind him of the best times
(Don't cry for me, next door neighbour)

I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again

You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down
I get knocked down, but I get up again
You are never gonna keep me down

I get knocked down, (we'll be singing)
but I get up again
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
but I get up again
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
but I get up again
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
but I get up again
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (ooh)

I get knocked down, (we'll be singing)
But I get up again (pissing the night away)
You are never gonna keep me down (when we're winning)
