Together Again

Ray Price

Together again my tears have stopped falling
The long lonely nights are now at an end
The key to my heart you hold in your hand
And nothing else matters we're together again(Nothing else matters we're together again)
Together again the gray skies are gone
You're back in my arms now where you belongThe love that I knew is living again
And nothing else matters we're together again
Nothing else matters we're together again
