

Sex on Wheelz

My Life With the Thrill Kill Kult

Ooh baby
Sex on wheelz
Ooh baby
Sex on wheelzI'll turn you on like a tiger, baby
Hard body, motor city, love life
I'll take you for a ride down the mind way, baby
Be my little human sacrificeDo my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of deathHistory is written by winners, baby
So let's make a little of our own tonight
If you're thinkin' my idea of fun is a drag
Then you've never been to paradiseDo my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of deathSex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelzOoh babyI'll turn you on like a tiger baby
Hard body, motor city, love life
I'll take you for a ride down the mind way, baby
Be my little human sacrificeDo my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of deathSex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelzSex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelzSex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
