Live on Live Long

Capone-N-Noreaga

Doin' it up everyday son, word up
Still on, C.N.N. still live on what?
C.N.N. live long, live on word up
Check it, dedicated know what I'm sayin'?Yo, Pone, I know you left and goin' up creek soon
You know my address God write me letters keep me in tune
I still remember when we first met
Yo, it was up north, I had the Iraq flag your comradWith do bad yo Arab damn dun how you get caught?
Sometimes I look back and think that the shit is my fault
'Cause it was me God body had to dead that pork
I went after him and clapped him up after we faught
Then the beef got deeper than what the clique thought
Peep the bucket head leather walley head thoroughbred
Doin' this with two shorties sleepin' in the same bed
So what up Pone nigga I can't zone
Without you think about you up at night without my airlight
Shine like broad day light to pay priceSo if ya heart stop beatin', I'll go back in time
Make your heart beat again real niggas till the end
We try to succeed nigga smoke weed
Contemplated, dedicated
To real niggas that could relate it
To real niggas that could relate it(C.N.N.)
C.N.N. say it loud yo
(C.N.N.)
C.N.N. say it proud, yo
(C.N.N.)
C.N.N. say it proud, yo
Peep the second part ya'll, you like the brain I'm like the heart
Yo from day one start you on walley clark
Inside the park I told you Q.B.L.F.C. combine heavenly
We formulateed this escalate just like a heavy keyEnough niggas slam down summers
And winters bust a full court press
Our defence apply the best
Rock the A.V.X. cock pit cover my chestYo, they bag Palm, L.Murder everybody

I know you blood dun but we can warmYo collide God niggas, here tie hard like bye God
Plus release now my clique form like the teeth now
Kill beef now make you dead like sea snail
We Averex down to our fuckin' feetNow jakes snatch my nigga Frank up off the streets

Now Votos Locos my niggas loco for dolos
Light trees up yo in the future fuck with these up
You keep my tees up I K-Tone always squeeze upThis goes out to all my niggas locked up right nowSo if ya heart stop beatin', I'll go back in time
Make your heart beat again real niggas till the end
We try to succeed nigga smoke weed
Contemplated, dedicated
To real niggas that could relate it

C.N.N. say it loud yo
(C.N.N.)
C.N.N. say it proud, yo
(C.N.N.)
C.N.N. say it proud, yoYo, for all my people locked up
I got rock chopped up
Hold the block up until you pop up
The banks stopped upI don't want no more to drink manYo, I was raised around planets and stars
Jail bars my vernacular repotoire, lust double cars
Why it seems like everyone still ends up in Green Right
By all means right you get lock it really seem likeSome get hit turn blood and some quit
Yo guerilla vice grip, Latin kings ice pick
God's reppin' with muslums keep Islam safe
What's your fate yo?
What do you believe, what do you know?
Slow it down so reap what you sewSo if ya heart stop beatin', I'll go back in time
Make your heart beat again real niggas till the end
We try to succeed nigga smoke weed
Contemplated, dedicated
To real niggas that could relate it
To real niggas that could relate it(C.N.N.)
C.N.N. say it loud yo
(C.N.N.)
C.N.N. say it proud, yo
(C.N.N.)
C.N.N. say it proud, yo
