99 Luftballons

Only Entertainment

You and I in a little toy shop
Buy a bag of balloons with the money we got
Set them free at the break of dawn
'Til one by one, they were goneBack at base, bugs in the software
Flash the message, "Something's out there"
Floating in the summer sky
99 red balloons go by99 red balloons
Floating in the summer sky
Panic bells, it's red alert
There's something here from somewhere elseThe war machine it springs to life
Opens up one eager eye
Focusing it on the sky
As 99 red balloons go by99 Decision Street
99 ministers meet
To worry, worry, super-scurry
Call out the troops now in a hurryThis is what we've waited for
This is it boys, this is war
The President is on the line
As 99 red balloons go by99 Kriegsminister
Streichholz und Benzinkanister
Hielten sich fuer schlaue Leute
Witterten schon fette BeuteRiefen, Krieg und wollten Macht
Mann, wer haette das gedacht
Dass es einmal soweit kommt
Wegen 99 Luftballoons
99 Luftballoons99 dreams I have had
In every one, a red balloon
It's all over and I'm standin' pretty
In the dust that was a cityIf I could find a souvenir
Just to prove the world was here
Here it is, a red balloon
I think of you and let it go
