

# Nah Let Go

## Gyptian

(intro)

Nahhhh let goo noo

Nah let goo noo

Oooooooooohhh yehhhh lemme sing

Said I want I want you

Said I want to I want to

Ill give you some time

Even a little wine(chorus)

She say she nah let go

No matter how far meh go

She say she rather be there so

And she nah mek no joke

She say nah let go

No matter how far meh go

She say she rather be there so

And she nah run no joke(verse 1)

Tell me how you bend and move like an acrobat

When how tell me how you do that

Babe now I see you move like a gymnastic

And your moves are fine and fantastic

Right now girl your body is incredible

Spin on my own like a turn table

You transform and give me the Japan wine

Me affi open up me eyes them wide one more time(chorus)

nah let go

No matter how far meh go

She say she rather be there so

And she nah mek no joke

She say nah let go

No matter how far meh go

She say she rather be there so

And she nah run no joke(verse 2)

Like a hundred degrees clock

Wine like that mm hmm

Baby wine nonstop Wonder where you get a style like that

Me aint tellin you meh wan see you stop girl

You nah shape like beer bottle

Cola bottle shape and yuh pierced nabel (Caribbean ppl say "nabel" but he means navel)

Nuff gyal out a road nah like you

But them wudda hot if them wudda follow you(chorus)  
nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke I have never ever seen another girl wine this way  
And dont you even bother to get her number  
Because the sexy girl is with me(chorus)  
nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke  
nah let go(chorus)  
No matter how far meh go  
She say she rather be there so  
And she nah mek no joke  
She say nah let go  
No matter how far meh go  
She say she rather be there so  
And she nah run no joke
