

Easily

Red Hot Chili Peppers

Easily let's get carried away
Easily let's get married today
Shao Lin shouted a rose
From his throat
Everything must go
A lickin' stick is thicker
When you break it to show
Everything must go The story of a woman on the morning of a war
Remind me if you will exactly what we're fighting for Calling calling for something in the air
Calling calling I know you must be there Easily let's get caught in a wave
Easily we won't get caught in a cage
Shao Lin shakin' for the sake
Of his soul Everything must go
Lookin' mighty tired of
All the things that you own
Everything must go I can't tell you who to idolize
You think it's almost over
But it's only on the rise
Calling calling
For something in the air
Calling calling I know you must be there The story of a woman on the morning of a war
Remind me if you will exactly what we're fighting for Throw me to the wolves
Because there's order in the pack
Throw me to the sky
Because I know I'm coming back Shao Lin shakin' for the sake
Of his soul Everything must go
Lookin' mighty tired of
All the things that you own
Everything must go The story of a woman on the morning of a war
Remind me if you will exactly what we're fighting for Calling calling for something in the air
Calling calling I know you must be there I don't want to be your little research monkey boy
The creature that I am is only going to destroy Throw me to the wolves
Because there's order in the pack
Throw me to the sky
Because I know I'm coming back
