

# Go Away Man

## Gluecifer

Advisory - the following lyrics contain explicit language:

I'm down and out now  
sittin' in a stupid chair  
seems that I've been swappin' crap for years Just a little noddy  
chewin' on my bread  
Little scmoozy-woozy want you dead In a shitty mood  
Go away man  
Want no rocky talkin' coz I'm screwed  
gotta go gotta go gotta go gotta go gotta go gotta go On a loner thing  
Go away man  
coz what you say can't make the rock-bell ring  
gotta go.....I've heard your records  
and I've read your zines  
I've got it up to here but you don't know what I mean  
Just a motor-mouthie  
with a borin' twist  
No-goodnik meant for nothin makin' me so fuckin' pissed Wanna eat my cheese, wanna read my sleaze  
don't wanna analyze it , shut it coz I'm greased
