Backyard Party

R. Kelly

Everyone's happy
Finally it's the weekend
All the hard work's behind me, yeah
And I just invited all my friends
I'm bout to throw something on the grill
And get together and play some cards, yeah
A couple of drinks, something to smoke and do our thing
No one's got hating in their hearts woahA backyard party
A backyard party
We're just having a backyard party yeah
We're just having a backyard party woahOh I thank god it's summer
'Cause it feels so good to be outside, yeah
And the music sounds like heaven yeah
Makes me wanna grab a towel and clean my ride
First I'mma throw something on the grill yeah
And then mingle with the girls
And I wish that they could feel this celebration
All around the world hey hey, it'sA backyard party oh
A backyard party
We're just having a backyard party
We're just having a backyard partyAnd even if it
Even if it looks like rain
Ho ho if it looks like rain
I'm given joy's gonna chase the rain away
Rain rain, go away
'Cause we gonna take some shots
We'll take some shots yeah
And just hope for a brighter day
Ho and I just hope for a brighter dayI feel like yeah
I feel like woah
I feel like yeah
I feel like wooahAll we doin' is havin'
A backyard party
A backyard party
We're just having oh
A backyard partyEveryone's in the pool
A backyard party
I don't follow no rules
A backyard party

Listen the music is loud and the atmosphere is cool
A backyard party
Everybody listen, you know how we do
A backyard party
Is now ? the drinks, ? you the drinks
And barbecue
A backyard party
The sun is shining and the sky is so blue
A backyard part
