

# No Sense

## Cat Power

Do you remember, do you remember  
That night at context  
Making up shit like we were animals We made no sense, no sense  
We had no sex Can you see, can you see, can you see  
Can you see, can you see, can you see  
The moon is so hollow What's the use, when I can see right through you  
What's the use All the hearts that touch your cheek  
How they jump, they move, they embarrass  
All the hearts that touch your cheek  
How they jump, they move, they embarrass They make no sense, no sense, no sense  
No sense, we had no sex
