From Now On

Will Young

Mm, mm
Hey, hey
I don't understand, what's the plan
Why I'm standin' here today?
All I've ever known is a fear to be grown up and take the blame
It was not too clear 'cause this is new to me
Was it plain to see?
No time for insecurity
It's never coming back to me, oh no
Never seem to get it when I know what I want
'Cause it's all a lie
Never knew a time when I thought it was right
To get it off my mind
I was, oh so blind, I was wrong
'Cause it's all about my feelings from now on
Hey, hey
I don't really care if
You share all the pain that I left behind
It doesn't really matter 'cause now I've got my peace of mind
Let me make it clear, ya, yea, yea
No time for insecurity
It's never coming back to me, ya, ya
Never seem to get it when I know what I want
'Cause it's all a lie
Never knew a time when I thought it was right
To get it off my mind
I was, oh so blind, I was wrong
'Cause it's all about my feelings from now on
Never seem to get it when I know what I want
'Cause it's all a lie
Never knew a time when I thought it was right
To get it off my mind
I was, oh so blind, I was wrong
'Cause it's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on

It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
