

Hugging the Earth

Tuxedomoon

Hugging the Earth
Hold on tight
It's all we got
To last this night
Around the whirl
Around the whirl
Around the whirl
Around the whirl
Hugging the.....
.... .. tight
It's
.. this night
Which will last
Honor or love
Which will last
Around the whirl
Around the whirl
Around the whirl
Around the whirl
Around the whirly whirly whirly
