

# Give Us Your Heart

William McDowell

Now that we're here  
Here in your presence  
Humbly we bow  
Speak to us now  
Now that we're here  
Here in your presence  
We're waiting to hear from you

We're open  
We're open  
We're open  
Speak to us now  
[Repeat]

Give us your heart  
Your heart for the nations  
For this generation  
Give us your heart  
Give us your heart  
For the wounded and the broken  
For the widow and the orphan  
Give us your heart  
Give us your heart  
For the lost and the dying  
We hear your people crying  
Give us your heart  
Give us your heart  
For the world that we live in  
For the harvest that is waiting  
Give us your heart

[Leader ad-libs]

Lord we will go  
We'll go to the nations  
To this generation  
Lord we will go  
Lord we will go  
To the wounded and the broken  
To the widow and the orphan

Lord we will go  
Lord we will go  
To the lost and the dying  
We hear your people crying  
Lord we will go  
Lord we will go  
To the world that we live  
Reap the harvest that is waiting  
Lord we will go

Fill us up and send us out  
[Repeat]

[Leader exhorts]

I wanna live a life poured out  
[Repeat]

We can change the world  
[Repeat]
