

# Half Dome

## Toro y Moi

Friday night we go watch music  
Saturday we do Half Dome  
If you want to go ahead  
Just let me know That wasn't all that bad  
Oh well, I'll sleep tomorrow  
I think I'ma take it slow  
So don't wait up You must be waiting I won't dare to look at time  
Look at who you are beside
