

# Show Me A Sign

## Michael Franti & Spearhead

Could you give me just some kind of sign  
To let me know that I'm not wasting my time  
I just need a reason to believe  
I've lost all visibility, 'cause I can't see  
Just what you mean, by what you're telling me  
Should I stay or go, do you even know  
It's all a riddle to me  
Show me a sign and give me reason to believe  
Don't waste my time, just give me some kind of sign  
Show me a sign and give me reason to believe  
Before this all just fades away  
Would you tell me 'cause I can't read your mind  
I'm so lost but it's not that hard to find  
I know exactly what you need  
It's become quite evident, just what you meant  
I need to vent, well, here's my two cents  
Don't leave me hanging on if you know it's wrong  
It's all a riddle to me  
Show me a sign and give me reason to believe  
Don't waste my time, just give me some kind of sign  
Show me a sign and give me reason to believe  
Before this all just fades away  
Give me just some kind of sign  
'Cause I know that everything is changing  
And I feel like you always leave me hanging  
Don't leave me hanging on if you know it's wrong  
Show me a sign and give me reason to believe  
Don't waste my time, just give me some kind of sign  
Show me a sign and give me reason to believe  
Before this all just fades away  
Give me just some kind of sign  
Before this all just fades away
