Influence

The Acorn

She says she stakes her claim with obstinance:
Know that I can make my mind up; I never been here before.
Cuz I never needed more that calls to you, or the memories laden in between.
No I never needed more of anything that lulls you, cuz I keep it all together.
It's just a matter of influence: the people that I talk to.Cuz I love to see the things I've never seen before.
And I know I can't mistake you for the one I want.
But I know that you can't seem to make your mind up, so I keep it all together.
It's just a matter of influence: it's the promises among us.
Even follow my mistakes.
I know that I can surely show the ways that I operate.
Cuz I never needed more of anyone that I could fool; I see that shit all around me.
Is it weird that I don't mind you talking for me? I don't mind you talking.The way that I walk into the room, know that I'm the one you'll be talking to.
No I don't mind ghosting on the party, cuz I got all I'll ever need.Cuz it seems the way that I could make my mind up,
is by never needing anyone to see my faults, least of you. All of you.
Cuz I never needed more of anyone that I could fool; I see that shit all around me.
It's just a matter of influence.
It's just the call of indifference.
It's the way that you talk to me.
It's just the way that you just fall between my needs.
