Big Legged Woman

Jerry Lee Lewis

I love the tip, I love the top
I love you better than a hog loves slop'Cause you're a big legged woman
With a short, short miniskirt
Promise me darlin'
You'll never make me feel like dirtDo you have the vine goes around the stump?
You are mine, call it sugar lump'Cause you're a big legged woman
With a short, short miniskirt
Promise me darlin'
You'll never make me feel like dirtI've told you once, I've told you twice
We go together like fried beans and rice'Cause you're a big legged woman
With a short, short miniskirt, alright
Promise me darlin'
You'll never make me feel like dirtAshes to ashes and dust to dust
You mess with my woman
I'm gonna hurt you first'Cause she's a big legged woman
With a short, short miniskirt
Promise me darlin'
You'll never make me feel like dirtI love my big legged woman
I love my big legged woman
I love my big legged woman
I love my big legged womanI love my big legged woman
I love my big legged womanShe's alright, she's alright
She's alright, she's alright
She's alright, she's alright
She's alright, she's alrightShe's alright, she's alright
She's alright, she's alright
She's alright, she's alright
She's alright, she's alrightShe's alright, she's alright
She's alright, she's alright
She's alright, she's alright
She's alright, she's alright
