Sunshine

Sparklehorse

Advisory - the following lyrics contain explicit language:

I opened my eyes
And watched the sunshine
It had been out all night
To relax and unwindThere will come a time gigantic
Waves will crush the junk that I have saved
When the moon explodes or floats away
I'll lose the souvenirs I made
La, la, laI lay down on the grass
And let the insects do their thing
She covered me with wings and
And held my head and said, 'Poor thing'There will come a time gigantic
Waves will crush the junk that I have saved
When the moon explodes or floats away
I'll lose the souvenirs I saved
La, la, la
