

Over My Head

Benny Sings

Because this time I'm in way over my head
Baby this time I'm in over my head
This time I'm in way over my head
Maybe this time I'm in over my head
Over my head I want to know where you get your hair done
And what you do when you can't sleep
And how you always get your clothes to match
It's a mystery to me I wanna know if you like Charles Bukowski
And how to mix your favourite drink
And are you a morning girl?
Or do you prefer evenings?
This time I'm in way over my head
Baby this time I'm in over my head
This time I'm in way over my head
Maybe this time I'm in over my head
Over my head Do you put the cup back on the toothpaste?
And when you shower do you sing?
Are you aware of all the butterflies?
And the energy you bring I wonder if you're into As The World Turns
And would you like living with me?
So are you a Kubrick girl or do you prefer Disney?
This time I'm in way over my head
Baby this time I'm in over my head
This time I'm in way over my head
Maybe this time I'm in over my head
Over my head
What would you say?
If someone gave you his love
Would you push it away
What would you do?
If someone gave you his heart
Would you break it in two? That's all I'm thinking of
I just can't learn enough
About you, my darling dove
Because this time I think I'm in love
This time I'm in way over my head
Baby this time I'm in over my head
This time I'm in way over my head
Maybe this time I'm in over my head

Over my head
