

# Ways To Love A Man

[Tammy Wynette](#)

There are so many ways to love a man  
And so many things to understand  
And if there ever comes a time  
You decide to change your mind I'll need a way to hold you and I can  
'Cause I'll know all the ways to love a man  
But there's so many ways to lose a man  
So quickly he can slip through your hands One little thing goes wrong  
Then all at once he's gone  
I'd have no way to hold him like I planned  
It takes more than just one way to love a man With my hands my heart anything  
I can find my child, my home, my soul and my mind  
I'll know that I can hold him  
Yes, I can if I know all the ways to love a man
