Kerosene

Pitchshifter

I was born in this town (this town, this town, this town)
And I lived here my whole life (my whole life, my whole life)
And I'm probably going to die in this town
And I lived here my whole life
There's never anything to do in this town
And I lived here my whole lifeThere's kerosene around
She's something to do
There's kerosene around
Find something to do
Kerosene around, she's something to do
Kerosene around, find something to do
Kerosene around, she's something to do
Kerosene around, set me on fireSet me on fire, kerosene
Set me on fire, kerosene
Set me on fire, kerosene
Set me on fire, kerosene
Set me on fireNever anything to do in this town
And I lived here my whole life
Nothing to do, sit around at home
Sit around at home and stare at the walls
Stare at each other, wait till we die
Stare at each other, wait till we die
Probably going to die in this town
And I lived here my whole lifeThere's kerosene around
She's something to do
Kerosene around, now what do we do?
Jump kerosene, now what do we do?
Kerosene around, there's nothing to do
Jump kerosene, now what do we do?
Never anything do in this town
Never anything but jump kerosene
Never anything do in this town
Never anything but jump keroseneSet me on fire, kerosene
Set me on fire, kerosene
Set me on fire, kerosene
Set me on fire, kerosene
Set me on fire
