

B.T.K.

White Reaper

I'll come over just for a little bit
We'll get wasted just for the hell of it now
There's some things that I never wanna quit
Other things I'll never do again
I couldn't tell you how I feel and still keep it tame
and if I never get back home would you forget my name?
and if I never left this house would it feel the same?
Help me out, I'm trapped in the basement
I don't care to catch it, I just wanna chase it now
There's some things that I never wanna quit
Other things I'll never do again
I couldn't tell you how I feel and still keep it tame
and if I never get back home would you forget my name?
and if I never left this house, would it feel the same?
Would it be the same? and would it be alright?
'Cause every time you tell me that it's just tonight
Would it be ok? and would you ever lie?
'Cause every time you wave goodbye
I couldn't tell you how I feel and still keep it tame
and if I never get back home would you forget my name?
and if I never left this house, would it feel the same?
