One day every voice will sing
Every beggar, prince and king
Every nation, tongue and tribe
Every ocean in between will cry, will cryPraise God from whom all blessings flow
Praise Him all creatures here below
To Him all the glory belongs
Praise Him above you heavenly hosts
Praise Father, Son and Holy Ghost
Let all the earth sing along, come join the songGathered round the throne above
We?ll be swept up in the melody
Hearts will overflow with love
We?ll be singing out a symphony, we?ll singPraise God from whom all blessings flow
Praise Him all creatures here below
To Him all the glory belongs
Praise Him above you heavenly hosts
Praise Father, Son and Holy Ghost
Let all the earth sing along, come joinThe song that fills eternity
Sung throughout all history
As Angels shout and kings lay down their crowns
We bow downPraise God from whom all blessings flow
Praise Him all creatures here below
Praise Him above you heavenly hosts
Praise Father, Son and Holy GhostPraise God from whom all blessings flow
Praise Him all creatures here below
To Him all the glory belongs
Praise Him above you heavenly hostsPraise Father, Son and Holy Ghost
All the earth sing along, come join the song
Come join the song, sing along
Come join the song , come join the song
