

# Cheek To Cheek

Chris Boardman

Bound to say something, eyes closed,  
It's cold, and I'm home  
I feel like nothing again,  
Pretending not to care, but I care,  
And I care, don't say another word  
Our time was worthless, but I tried  
We started over and over again, as we let go  
Held each other, held hands,  
Held standards and grudges  
That's when I let you know,  
I guess that goes to show

Just what I've been going through,  
More nights of hugging my pillow, oh  
Replaying memories

Sing this song for me;  
Tell me how you'll never leave my side  
And I'll meet you around 7,  
And I miss you already, goodbye to you.

Time was worthless, but I tried  
We started over and over again, as we let go  
Held each other, held hands,  
held standards and grudges  
That's when I let you know,  
I guess that goes to show

Sing this song for me;  
tell me how you'll never leave my side  
And I'll meet you around 7,  
and I miss you already, goodbye to you.

And I tried so hard,  
And I've done my part,  
And not to mention most of all of yours  
Try and feel,  
Try and listen,  
Try and think of what you're missing,  
Try to look into my eyes.

Try

Goodbye

Sing this song for me;  
Tell me how you'll never leave my side  
And I'll meet you around 7,  
And I miss you already, goodbye to you.  
Last goodbye I'll ever say to you.  
You'll never leave my side.
