Feel Like Home (feat. Dyson)

Sander Kleinenberg

Into these eyes
i'm falling
but can explain
this all in
my body aches
for this moment there's no controllin'
why does it feel like home
like i've known you all alone
I don't know what's going on
between us why does it feel like home
when I think I don't belong
that's when you come alone
and take me...
Why does it feel like home?...
Why does it feel like home?.
Why does it feel like home?...
Like i've known you all alone.
Why does it feel like home?...
and here before know what it feels like.
this can't be wrong.
somehow it feels right.
i'm not alone, but out of my mind you make the greater lie.
Why does it feel like home?.
Like i've known you all alone, I don't know what's going on between us.
Why does it feel like home when I think I don't belong that's when you come along and take me.
Why does it feel like home?.
Why does it feel like home?...
Why does it feel like home like i've known you all along.
Why does it feel like home?.
Why does it feel like home?
