Rip It Up

Billy Rankin

My head is dancin' like a ball full of fire
Burnin' up with the flames gettin' higher
Rip it up, rip it up good
Rip it up like you know you really shouldWe never had to say a thing to one another
The band is hot n' they're playin' it like a mother
Rip it up, rip it up good
Rip it up like you know you really shouldGet you on the rebound, catch you when you fall,
Signin' Long Tall Sally, gonna rip it up, rip it upSweat is drippin' from the ceiling and the walls
Word is out I hear the curtains gonna fall
Rip it up, rip it up good
Rip it up like you know you really shouldGet you on the rebound, catch you when you fall,
Signin' Long Tall Sally, gonna rip it up, rip it upRip it up, rip it up good
Rip it up like you know you really shouldGet you on the rebound, catch you when you fall,
Signin' Long Tall Sally, gonna rip it up, rip it upOoh, rip it up, rip it up (rip it up!)
Ooh, rip it up, rip it up (rip it up! Rip it up!)
Ooh, rip it up, rip it up (gonna rip it up!)
Ooh, rip it up, rip it up (come on, rip it up! Rip it up!)
