

Give It To Me Right

Melanie Fiona

Okay, okay,
He's got my number and
You can't, you can't
Warn me baby here I am
Either you make the time
Or just forget meI'm not, I'm not
Tryna run your life
That's why, that's why
I'm nobody's wife
But when I want, when I want it
You gotta be readyI don't want it all the time,
But when I get it,
I better be satisfied
So give it to me right,
Or don't give it to me at allI don't think you understand,
How real it is for me to find
A man who thinks he can
So give it to me right,
Or don't give it to me at all
Yeah yeahOn time, on time
I expect you to be
All mine, all mine
Baby in my fantasy
You can't get it right,
Then just forget itNo ways OK
For you to go around
Uh uh, today
You better make a touch down
You know what I like,
Won't you accept itI don't want it all the time,
But when I want it,
You better make me smile
So give it to me right,
Or don't give it to me at allI don't think you understand,
If you can't please me,
I know someone who can
Give it to me right,
Or don't give it to me at allThis is the real life baby
This is the life that makes me say

Yeah, yeah, yeah, yeahThis is the real thing baby
When I'm alone I can make me say
Yeah, yeah, yeah, yeahI don't want it all the time,
But when I want it
You better make me smile
So give it to me right,
Or don't give it to me at allI don't think you understand,
If you can't please me,
I know someone who can
So give it to me right,
Or don't give it to me at allGive it to me right
Give it to me rightGive it to me right,
Or don't give it to me at all
