

Heartbeat

TQ

Baby, I wanna feel your heartbeat next to mine
Baby, and put your on mine
Baby, until the end of time
Baby, can we do that girlWhere are you now
Where have you been
I've been praying
Just to see your face againAnother space
To find us in
With much to far out
Way to ever touch againLong distance love
It will make you break sometimes
Make you hate sometimes
To stay within
I wanna rise above
Get the chance to take sometimes
I'm gonna make sometime
If we try againBaby, I wanna feel your heartbeat next to mine
Baby, and put your on mine
Baby, until the end of time
Baby, can we do that girlSo far away
I climb a mountain
Cross the seas for another day
To see your faceLike I see the day
So many chances
Before our lives wandered away
What a price to pay
Remember love
It's a broken photograph
We ripped our soul in half
When we let us goI'm thinking of
Baby what's the reason for
Why we couldn't breathe no more
I don't know baby() x2
Baby, I wanna feel your heartbeat next to mine
Baby, and put your on mine
Baby, until the end of time
Baby, can we do that girl
