Secure the Bag

DMT The Rapper

Secure the bag full of money
I need it bad 50's hunnits/

No more deposits I be tryna get the whole thang/ hit the club cuz we bout to blow the whole thang/

Price check never looking/
Money power Stanley tookey/

Don't never let em get too close they be tryna steal/ they be tryna bite my style like I'm holyfield/ bossed up no diamonds on me I'm flossed up/ I ain't got no rolly on I walk in still sauced up/
Bottles on my table when I walk in I don't talk much/ all I got is that color money that green money just hulked up/ secure the bag, I got what you want and what you had/ Bitch yo time is passed/ have it all today and gone tomorrow ima make it last/
50s and 100's I blow on her kitty/ I know that she need it/ she acting saddity/ came up from nothing I know that you got it/ you make a deposit and Running yo city/

Secure the bag full of money
I need it bad 50's hunnits/

No more deposits I be tryna get the whole thang/ hit the club cuz we bout to blow the whole thang/

Price check never looking/
Money power Stanley tookey/

No more deposits I be tryna get the whole thang/ hit the club cuz we bout to blow the whole thang/

Counting all this money she gone put it in that plastic bag/ I be chasing what I want and getting what i never had/
I be feeling like i own this shit, you can't tell me shit/ tell me tell me where the ladies at cuz they run this Bitch/

Walked in like tell me where my section at/ ex girl like cheap weave and flat irons I ain't pressing that/ one day you the hottest thing when you fall off you won't get it back/
yo career like waldo where they all go? I ain't guessing that/

Getting to the money/ I don't know what ima do/ I'm securing the bag/ money be coming right to me, like

catching a uber like ima just wait for the ride/ think I'm addicted to winning cuz I know the feeling whenever you coming in last/
I know my timing is coming I came up from nothing so now I'm securing the bag... and stating the facts

---

Secure the bag full of money
I need it bad 50's hunnits/

No more deposits I be tryna get the whole thang/ hit the club cuz we bout to blow the whole thang/

Price check never looking/
Money power Stanley tookey/

No more deposits I be tryna get the whole thang/ hit the club cuz we bout to blow the whole thang/
