

I Don't Wanna Be Called Yo Nigga

Public Enemy

Yo! ho! yo nigga! yo nigga! no nigga! yo my nigga! no nigga! no nigga! no nigga!

Check it out

How can you say to me, "Yo my nigga!"

Cursin' up a storm with your finger on a trigger

Feelin' all the girls like a big gold digger

Take a small problem

Make a small problem bigger

You say, "Yo; I ain't poor I got dough

You Don't consider me your brother no more?"

Goddamn kilogram, how do you figure

I don't want to be called yo nigga! Yo nigga! yo my nigga! yo nigga!

HEY!

Nigga! yo nigga! yo my nigga! yo nigga! I try to make my statements

Stick like flypaper

Judge says to me, "Yo nigga sign these goddamn papers"

My boss told me, "Yo nigga, you're fired"

Cause my body told me, "Yo nigga, you're tired."

Yo nigga this and yo nigga that

I'm yo nigga now cause your head got fat

Flava framalama boy you won't figure

I don't wanna be called yo nigga! Yo nigga! yo my nigga! yo nigga! nigga! no nigga! no more nigga! no more

nigga! Break it down! N-I-G-G-E-R

Nigga, nigga, nigga, nigga, nigga, nigga, nigga

Everybody sayin' it, Everybody playin' it

Load it on the scale, cause everybody's weighin' it

Toby say, "Yo, I be good nigga,

Nigga get a shovel, nigga be good digger!"

I don't care how small or bigger

I don't want to be called yo nigga! Yo nigga! yo nigga! yo nigga! no more nigga! no nigga! no nigga! yo my
nigga!

Hey! Nigga! yo nigga! yo my nigga! yo nigga! nigga! yo nigga! yo my nigga! yo nigga!

Yeah!
