Tally Ho!

The Clean

Now, you said it was yesterday, yesterday's another day
Had a lot of make believe, I don't know if it's you or
If it's me oh, I don't know, I don't know
Tally ho, tally hoI'll meet you in your fantasy just anywhere you can obey
Ipsala, Bombay, this is the wrong way
Cause he'll see you I'll go into shock, it's true
Tally ho, tally hoWell, where are you now?
And where have you been?
I've been untrue if this has all 'bout you
But who are you, yeah, asking me to, I can't tell
Now, you said it was yesterday, yesterday's another day
Had a lot of make believe, I don't know if it's you or if it's me
Oh, I don't know, I don't know
Tally ho, tally ho, tally ho, tally ho
