

Lagartija Nick

Bauhaus

Move his way, nice and slow
Paint it all black, let the humorous glow
He feels like sacher-masoch and the fire below
Is licking at his lipsCracks the whip
Come on, crack
Crack the whipSwallowing flames, sinking in the snow
He enjoys feeling pain, he enjoys peeling slow
Lagartija Nick, it's no dumb show
Your names on his whipCrack the whip
Come on, crackA code of play, a nocturn rite
In the cruel garden of dark delights
Sixteen cages crawl in line
Desire is a heady wineCome on, crack
CrackAll in pain, it's no dumb show
Fire below
Is licking at his lips
Swallowing flame, crack
