

Field Party (remix)

The Lacs

Colt Ford down with The Lacs
Drinkin'™ cold beer out of paper sacks
Lovin'™ them girls, chasin'™ them squirrels
Welcome all of yâ€™™all to a country boys world
Lawd have mercy, hope yâ€™™all thirsty
Letâ€™™s get drunk a dance a jig
This is how we does it, down in the country
Welcome everybody to the shindig

Head out to the field about a quarter to 10
See all the Lac boys and a couple of friends
We got 17 kegs and we ready to drink
We got 8 big speakers steady crankin'™ the Hank
Little girlies flockin'™ in and itâ€™™s me on the grill
Side step to the bed, grab a seat and just chill
We got Willie and McGraw ringin' Hank on the phone
Cuz we â€™bout to have a field party 10 miles long

Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™™t nothing wrong
Ainâ€™™t gonna stop the show until the cows go home
Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™™t nothing wrong
Ainâ€™™t gonna stop the show until the cows go home

One of a kind yâ€™™all they call us southern
Yeah down in Dixieland, no other
We work all week, but weâ€™™d rather be fishin'™
Weâ€™™d rather be drinkin'™ and party for a livin'™
Way back in the field where it all go down
30 miles out of town, you in the country now
Take a right at the dirt and a left at the pig pen
I know you never heard of such this is a Shindig

Hot damn look at all these broads
A cold red head with a 2 piece on
Where the bbq be on the grill
Where the bud be on the chill

Make my way to the horseshoe throw
Donâ€™t like that straight that Georgia smoke
Donâ€™t choke, I bet you will
When them girls right there they dressed to kill

Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™t nothing wrong
Ainâ€™t gonna stop the show until the cows go home

Uh uh
Come here little baby let me light ya fire
Hop right up in the 4 wheel drive
Big full load now we ready to go
Let your hair down and enjoy the show
Everybody feelinâ€™ okay
Mix shine with that OJ
If you donâ€™t know what this is
Babydoll itâ€™s a shindig

Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™t nothing wrong
Ainâ€™t gonna stop the show until the cows go home

Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™t nothing wrong
Ainâ€™t gonna stop the show until the cows go home

Shindig party tonight
We gonna rock this town till the morning light
Tell the pos, chill out there ainâ€™t nothing wrong
Ainâ€™t gonna stop the show until the cows go home
