

The Nameless

Eluveitie

Yeah!
Pathetic, benign
Accept it, undermine
Your opinion, my justification
Happy, safe
Servant, caged
Malice, utter weakness
No toleration
Invade, committed
Enraged, admit it
Don't condescend, don't even disagree
Desire, decay
Disappoint, delay
You suffered then, now suffer unto me
Obsession, take another look
Remember, every chance you took
Decide, either live with me
Or give up any thought you had of being free
Don't go
I never wanted anybody more than I wanted you
I know
The only thing I ever really loved was hate
Anyone, no
Anything, yes
Anyway, fall
Anybody, mine
Anybody, tell me
I want you
I need you
I'll have you
I won't let anybody have you
Obey me
Believe me
Just trust me
Worship me
Live for me
Be grateful now
Be honest now
Be precious now

Be mine, just love me
Possession, feed my only vice
Confession, I won't tell you twice
Decide, either die for me

Or give up any chance you had of being free

Don't go

I never wanted anybody more than I wanted you

I know

The only thing I ever really loved was hurting you

Don't go

I never wanted anybody more than I wanted you

I know

The only thing I ever really loved was hate

Yeah!

You stay inside the hole

Let me take control, dominate

You are nothing more

You are something less, innocent

Something has to give

Something has to break, omnipresent

Fingers in your skin

Let my savage in, you deserve it

You deserve it!

You deserve it!

You deserve it!

You deserve it!

Don't go

I never wanted anybody more than I wanted you

I wanted you

I know

The only thing I ever really loved was hurting you

Was hurting you

Don't go

I never wanted anybody more than I wanted you

I wanted you

I know

The only thing I ever really loved was hate

You're mine!

I know who you are

You're mine!

I know who you are

You're mine!

I know who you are

You're mine!
