Leaving You

Lina

Intro:

Yea' I've seen it all. Can't believe I've wasted so much time. Love is blind.

I won't let you get me me down. I won't let you make me think that I can't do better than this.

I won't let you get in my way. You can't stop me. I'll make a way somehow someday I'll get over the heartache. I'm leaving you. For someone who loves me, more than you.

Chorus:

I'm through with you. Got someone who needs me, more then you. Today's the day now I can finally see my way. Yea' I'm leaving you, I'm leaving you today.

Today is the day now I can finally see my way.
Found somebody new, I'm leaving you for me.

YeYeYeYeYeYeYeYeYeYeYe

Won't change my mind this time, I won't change it. Even though it feels like my whole world is ending, my own world is ending. I gotta new beginning. Don't you try to convince me. You got your shit together, baby boy whatever, I'm not looking back.

I'm leaving you. For someone who loves me, more than you. I'm through with you. Got someone who needs..needs me, more then you. Today's the day I now I finally see my way. Yea' I'm leaving you. I'm leaving you today. Today's the day now I can finally see my way. Found somebody new, I'm leaving you, I'm leaving you, I'm leaving you. I'm through with you.

Today's the day now I can finally see my way. Yea, I'm leaving you.

Today's the day now I can finally see my way. Yea, I'm leaving you.
