

# Dancing In The Mirror

Lloyd

She wakes up in the morning  
Jumps in the shower  
Then rubs al the lotion  
When she's wrapped in a towel  
Aint no music on (nooo)  
But she dance to perfection  
A swear the bathrooms a club  
The way she show her love to her afflation  
Every morning I watch her from behind  
But she don't know  
I pretend that I sleep but I don't miss a show  
My favorite part of the day is when she dance in the mirror  
There's nothing more I can say  
just watch her dance in the mirror (dance)  
oeh she's so cute (cute, cute) dancing in the nude  
My favorite part of the day is when she dance in the mirror, dance in the mirror  
It's late in the evening  
We got dinner reservations (oeh, oeh)  
She's taking here time  
But.. I don't like waiting  
I don't get in patience cause when she gets naked  
Oeh the temptation, oeh the temptation  
  
You make me wanne cancel all of our plans  
keep you right were you stand  
Just wanne see you dance  
Every morning I watch her from behind  
But she don't know  
I pretend that I sleep but I don't miss a show  
My favorite part of the day is when she dance in the mirror  
There's nothing more I can say  
just watch her dance in the mirror (dance)  
oeh she's so cute (cute, cute) dancing in the nude  
My favorite part of the day is when she dance in the mirror, dance in the mirror  
Oooooooooooooooooooh  
She's singing to herself like  
Dada dada dadada  
Oooooooooooooooooooh  
She's singing to herself like

Dada dada dadada

My favorite part of the day is when she dance in the mirror

There's nothing more I can say

just watch her dance in the mirror (dance)

oeh she's so cute (cute, cute) dancing in the nude

My favorite part of the day is when she dance in the mirror, dance in the mirror
