Unbreakable

Chrisette Michele

Four Kings
UnbreakableI did it cause I wanted to
That's my excuse for loving you
Ain't nobody ask me to
You feelin' me, I'm feelin' you
Stay up on my [?]
Court is not in session though
I don't need the questions though
Love got me like leave me aloneYou could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable love
You could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable loveI'm the wifey everyday
Rock upon the finger ring
You could try to get between
But daddy coming home to meWe rock
Rocks out, rocks out like a stone, unbreakable, unbreakable
To the top
Rocks out, rocks out like a stone, unbreakable, unbreakableYou could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable love
You could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable loveI don't mean to be rude
Find you something to do
It's just me and my boo
It's just me and my boo
I ain't supposed to be mean
You can't rock with my team
Leave me alone, let me breathe
Leave me alone, let me breathe
I ain't supposed to be mean
You can't rock with my team
Leave me alone, let me breathe

Leave me alone, let me breatheYou could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable love
You could keep on trying
You can't break a diamond
Our love's some fire
Unbreakable love
Unbreakable love
Unbreakable love
