

Nothing Even Matters (feat. D'Angelo)

Lauryn Hill

Now the skies could fall
Not even if my boss should call
The world it seems so very small
'Cause nothin' even matters, at all See nothin' even matters
See nothin' even matters at all
Nothin' even matters
Nothin' even matters at all See, I don't need no alcohol
Your love makes me feel ten feet tall
Without it, I'd go through withdrawal
'Cause nothin' even matters at all Nothin' even matters
Nothin' even matters at all
Nothin' even matters
Nothin' even matters at all These buildings could drift out to sea
Some natural catastrophe
Still there's no place I'd rather be
'Cause nothin' even matters to me See nothin' even matters
See nothin' even matters to me
Nothin' even matters
Nothin' even matters to me You're part of my identity
I sometimes have the tendency
To look at you religiously, baby
'Cause nothin' even matters to me Nothin' even matters
Nothin' even matters to me
Said I don't, my baby, baby Now you won't find me at no store
I have no time for manicures
With you it's never either or
'Cause nothin' even matters no more See nothin', it don't matters
See nothin' even matters no more
Nothin' even matters
Nothin' even matters no more Now my team could score
And make it to the final four
Just repossess my 4 x 4
'Cause nothin' even matters no more Nothin' even matters
Nothin' even matters no more
Nothin' even matters, oh oh oh To me, to me, to me, to me, to me
To me, to me, to me, to me, to me Nothing even matters
Nothing even matters no more
Nothing even matters
Nothing even matters Nothing but you

Nothing but you
Nothing but you
