Even Angels

Fantasia Barrino

-Verse 1
I'm driving in circles
should have bought that new phone
I can't find my way to
all the places I call home
I'm
(on my own)
I'm at the station pumping gas
yea
I'm taking out the trash
I'm
(all alone)
And whose there
Whose there
-Bridge
Since you been gone
I learned how to move on
how to be myself
I don;t need nobody's help
I'm doing so good
I forgot that I could
Live like this
Ohh
-Chorus
First step
take a deep breath
you don't need a reason why
you can
you can
take take time
you can
you can
walk, run, dive
Close call
think you might fall
but all you gotta do is try
even angels
even angels

learn to fly

-Verse 2
coming home in this late night
should have left the lights on
i can't help but imagine all the things
that could go wrong
I'm
(on my own)
I'm in the kitchen
on the chair
reaching for the top shelf
I'm
(all alone)
and I'm okay
I'm alright
-Bridge
-Chorus
-Breakdown
Everyday I'm stronger
it can't get better
if it if it
don't hurt
why why
(OOh why)
see me in my next life
heartbreak's a teacher
and now
I love ah love ah
little bit deeper
why oh why (oh why)
-Chorus(Just fantasia)
Fly_____
Fly_____
Fly_____
Fly_____
Chorus until end of song
