

I Only Want To Be With You

Dusty Springfield

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something, can't you see
That ever since we met you've had a hold on me
I happens to be true, I only want to be with you It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Look what has happened with just one kiss
I never knew that I could be in love like this
It's crazy but it's true, I only want to be with you You stopped and smiled at me
Asked me if I'd care to dance
I fell into your open arms
I didn't stand a chance Now, listen, honey, I just want to be beside you everywhere
As long as we're together, honey, I don't care
'Cause you started something, can't you see
That ever since we met you've had a hold on me
No matter what you do, I only want to be with you You stopped and smiled at me
Asked me if I'd care to dance
I fell into your open arms
I didn't stand a chance Now hear me darling, I just want to be beside you everywhere
As long as we're together, honey, I don't care
'Cause you started something, can't you see
That ever since we met you've had a hold on me
No matter what you do, I only want to be with you
I said, no matter, no matter what you do, I only want to be with you
