

# Come Sail Away

## South Park

I'm sailing away, I set an open course for the virgin sea  
And I've got to be free  
Free to face the world that's ahead of me On board I'm the captain, so climb a board  
We can search for tomorrow on every shore  
And I'll try, oh Lord, I'll try to carry on I look to the sea, reflections in the waves spark my memory  
Some happy, some sad  
I think of childhood friends and the dreams we had We've been happy forever, so the story goes  
But somehow we missed out on that pot of gold  
But we'll try as best as we can to carry on On board I'm the captain, so climb a board  
We can search for tomorrow on every shore  
And I'll try, oh Lord, I'll try to carry on  
To carry on, to carry on
