

# You Can't Teach An Old Dog New Tricks

## Seasick Steve

There must be something wrong with me  
What it is I can't quite see  
I can't seem to do nothing right.  
Maybe I need to change my style  
Been this way for a long long while  
Maybe there's a few things I ought to fix.  
Can you teach an old dog new tricks?  
Wanna put a little fire in my life  
Climb a little higher, did it right  
Tired of this ordinary bullshit.  
Maybe I need to change my style  
Been this way for a long long while  
Maybe there's a few things I ought to fix.  
Can you teach an old dog new tricks?  
Can you teach an old dog new tricks?  
Well, that right  
Maybe I should leave well enough alone  
I might not be perfect but I'm me to the bone  
I don't need to change my style  
Been this way for a long long while  
There ain't nothing that I got to fix  
You can't teach an old dog new tricks.  
You can't teach an old dog new tricks.  
You can't teach an old dog  
You can't teach an old dog new tricks  
You can't teach an old dog new  
You can't teach an old dog  
You can't teach an old dog  
You can't teach  
You can't teach  
You can't teach
