

# I Can Learn

## The White Stripes

I wish we  
were stuck up a tree  
then we'd know  
it's nicer below I don't know any lullabys  
I don't know how  
to make you mine  
but I can learn  
in lonely days ago  
I saw lovers put on a show  
well now it's my turn Drive you home  
then wait by the phone  
for that call  
and a walk in the fall no harm will come of this  
one little midnight kiss  
it will not burn  
too many lonely days  
I feel like a throw away  
well now it's my turn Falling down  
is no longer around  
feeling sun  
I'm no longer one  
well isn't this fun?
